

African Resilience

MCB Capital Markets acted as sole Transaction Advisor to Teyliom, a diversified conglomerate in West Africa, on arranging EUR 45 million mezzanine financing for the construction of five business hotels in Africa.

Yigo Thiam, Chief Executive Officer of Teyliom International Ltd, commented:

"This achievement represents for our Group, a milestone both for the development of our hotel projects and for the partnership with key financial players like CDC, DEG and SFC. I would like to extend our appreciation to our transaction advisor, MCB Capital Markets, in bringing this complex transaction to completion and for the expertise delivered throughout."
