RESULTS & PROSPECTS

At March 31.

For the quarter under review, the Group's performance continued to be affected by the slow recovery in business travel and the ongoing local sanitary protocols. Current market trends suggest that revenue should improve for the next quarter.

The Group has acquired 26 RES (Real Estate Scheme) villas adjacent to The Address Boutique Hotel in Port Chambly. This investment will enable the hotel to develop synergies and potential economies of scale between the villas and the hotel. The latter is expected to realise improved results in the medium to long term.
